Here a Little There a Little
Line upon Line

“Whom shall he teach knowledge? and whom shall he make to understand doctrine? them that are weaned from the milk, and drawn from the breasts. For precept must be upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little.”

Isaiah 28:9-10

Q Let's begin with a QUESTION

In the book of Revelation, we are told that Satan has but a short time; Rev 12:12 *“Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! for the devil is come down unto you, having great wrath, because he knows that he hath but a short time.”*

The QUESTION is, how does Satan know that he has but a short time? To answer that, we need to ask more questions. In God's Holy Word He tells us that *“Surely the Lord GOD will do nothing, but he reveals his secret unto his servants the prophets.”* Amos 3:7

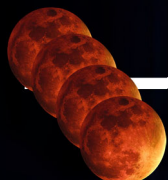

Has God given Satan more information as to the return of Jesus Christ than His Elect? Has God already revealed what Satan knows and we have missed it? You'll find the answers to these and many, many more questions through these 49 sermon messages delivered over the past four years. In them you'll find a powerful comprehensive **Prophecy Timeline** for our day.

“Line upon line, here a little, there a little”

The Lord is not slack concerning His promise, as some men count slackness; but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance.”

|| Peter 3:9

In the early years of the Worldwide Church of God, they offered the powerful Ambassador College Bible Correspondence Course that consisted of 58 lessons. These lessons were life changing for nearly everyone that took them. They would send one lesson at a time. With each, we were instructed to take each scripture in the study to write it down, then to look it up in the Bible. At the completion of each Bible Study Lesson, they would send another study. Each lesson became the building block for future lessons. With each new lesson, our eyes were opened to new truths and understanding from God’s Holy Word that we had not understood before.

When you begin this video **Prophecy Timeline Series**, we encourage you to follow the same steps as out laid in the Original Ambassador College Bible Study Course. When you view the study and come across a scripture, pause the video, write down the scripture, then proceed to look it up. We encourage you to set your own pace that you are comfortable with. It is also recommended that you view them in the order of the dates in which they were delivered, because each video study literally builds on understanding revealed and understood in the previous lesson or series. Another recommendation is that you might want to build your own timelines as shown with each lesson, and there isn’t any need to complete each lesson at one sitting.

Today brethren are scattered and often times find themselves with no one to meet with, these video Bible studies are a great way to fill that void. There are many ways to approach this series, you might prefer them as private personal studies, some might want to get with others on the Sabbath and have group discussions and include Q & A periods.

At first, it might seem a bit overwhelming to watch them all, but if you follow God’s instructions found in the book of Isa. 28:9-10, “precept upon precept, precept upon precept; line upon line, line upon line; here a little, and there a little;” you’ll have completed them in no time at all.

"If You Hear His Voice"

FROM CAPTIVITY TO THE PROMISED LAND
While it is said, "To day if ye will hear his voice, harden not your hearts, as in the provocation?" (Heb. 3:15)

The story of Israel coming out of Egypt and going into the Promised Land has been told from generation to generation. Books have been written, powerful movies have been made and remade, and legends have been created. Indeed it is the story of hope for mankind.

However, in the midst of this powerful story of the Establishment of Israel, there remains one painful aspect that God has recorded for us that has almost been completely forgotten. It's one of the saddest stories of the Bible. Despite the fact that God has gone to great lengths to give us the warnings of that generation so that we don't make the same mistakes, these warnings are almost completely overlooked.

In this new Series, "Today, If You Hear His Voice" Tom Kerry covers the duality of the Exodus of Israel from Egypt to the time of God's plan for you and I. It is the story and the warning for an end time generation... US!

This is the second of the three phases of God's Plan for Mankind. It begins with the introduction called "Millennial Promisers." Get your FREE DVD Today

CONDITIONS IN AMERICA tied to prophecy

In ancient Israel, and in Judah following Israel's division after king Solomon's death, we see God sending prophet after prophet warning and even pleading with them to repent of their evil ways. But, with each warning they only rebelled more and more. In Isa 1 God tells us "Why should you be beaten again, that you revolt more and more? The whole head is sick, and the whole heart faint. From the sole of the foot even to the head there is no soundness in it." (Isa 1:5-6)

The America we live in today is trotting down the same path of rebellion, refusing to turn from its ways that will inevitably lead to its destruction.

The messages listed on this page titled; "Conditions in America," serves as a companion to the *Prophecy Timeline Series* revealing the fruits of our ways as shown in the warnings of the timeline series. The "Conditions in America" messages reveal some of the most compelling evidences of the deterioration of behavior as brought out with each of the timeline messages.

The rapid changes taking place in America's culture and behavior is unprecedented. We recommend you view all of these series in the order of delivery. As you do, you will see with each series, the conditions in America as morals deteriorate. Never in the history of our nation have we witnessed such rapid change in the ethics, the morals, and standards of what defines right and wrong.

Truly we live in the days that God warned us would come upon all mankind. Take your time, "here a little, there a little, line upon lie, line upon line." Begin each message in prayer, seeking God's guidance as He leads you in your calling as we wait for the return of Jesus Christ.
