Have a Great Feast of Tabernacles 2016

We hope that you will enjoy our “abbreviated edition” of the *Quarterly*, and find it helpful for the Feast of Tabernacles this year. We did this last year for the first time and received many positive comments, that we decided to do it again this year.

We’ve included all six of the U.S. Feast sites that covers the speakers, activities, and programs for each of the sites. We thank Bob Born who has been diligent in working with the Feast coordinators in putting together all of this information to be able to

bring to you.

This year we are including an additional site to help those wanting to attend. The Williamsburg site will be live streaming the Ft Walton Beach site since they have a somewhat smaller location and are short of speakers.

Please remember to pray for all who will be traveling all around the globe this year. We live in a world filled with violence and uncertainty. Satan hates this time as God’s people draws away for the world to spend their time totally focused on the coming King of God.

“And it shall come to pass, that every one that is left of all the nations which came against Jerusalem, shall even go up from year to year to worship the King, The Lord of Hosts, and to Keep the FEAST OF TABERNACLES.”

Zechariah 14:16

From the Cover: During our trip to Florida to film Governor Mike Huckabee, we took a moment to present him with a plaque of appreciation from *God's Unchanging Word* thanking him for taking the time to help us with our production, and for his many years of service to our nation.

THE QUARTERLY
The Church of God

Progress on the “Constitutional Christian” is moving with tremendous success. At the time of this writing, we have already taped Governor Mike Huckabee. Our next guest is David Barton of Wall Builders. David is one of the renowned historians of the founders of our nation. That taping is to take place in Dallas and will be too late to get into this edition of the Quarterly and still get the edition to everyone in time for the Feast. We decided to just give you a glimpse of what is going on and will cover in detail the special

in the next Quarterly following the Feast. We put this page in to give everyone just a glimpse of what you will see and give you an idea of the work going on that God has greatly blessed us with. We believe it is our most important message to date. The timing of its airing will take place following the election so as not to be lost as a political message, and the true meaning of the program getting lost and swept under the rug. Please continue to pray for our success in accomplishing the warning it is intended to be.

Below Right: This distant photo gives you an idea of the staging we were blessed to be able to use to tape this part of our production.

Feast of Tabernacles 2016

Auburn, Indiana

Auburn will be the location again this year for the northerners. Establishing Feast Sites is one of the most challenging responsibilities of the church in servicing the needs of its members.

Distance, expense, the economy, what the area has to offer, motel availability, restaurants, and the list goes on of things to consider.

After speaking with many of the members, it

was decided to remain where we have been for one more year to help more of the brethren attend.

This is a wonderful site filled with many activities, and events. Additionally there are also several church sponsored events to help all to participate.

THE CONSTITUTIONAL CHRISTIAN

FREEDOM BY DIVINE PROMISE

Liberty once lost,
is lost forever...

John Adams

Did you know? ... That America's heritage is linked to our Creator, tracing our ancestry back to the promises of blessings to Abraham Isaac, and Jacob.

Did you know? ... George Washington, John Adams, Herbert Hoover, Harry Truman, Dwight Eisenhower and others, knew that our documents: the Declaration of Independence and the Constitution are inextricably linked to the Divine Laws of God given to ancient Israel.

Did you know? ... America may be facing its most important crossroads in modern times. The nation has become divided. In the balance of this election lies the decision maker for the Supreme Court nominee which has the chance to alter our Constitution and freedom.

Did you know? ... During a threatened war with France, President John Adams called for a National Day of Humiliation, Fasting, and Prayer? "For these reasons I have thought proper to recommend, and I hereby recommend accordingly, that Thursday, the twenty-fifth day of April, 1799 next, be observed throughout the United States of America as a day of solemn humiliation, fasting, and prayer."

Did you know? ... That the fast was during the Days of Unleavened Bread.

Did you know? ... As a result the war was averted and we entered into talks for the Louisiana Purchase

Did you know? ... He asked the nation to... call to mind our numerous offenses against the Most High God, confess them before Him with the sincerest penitence, implore His pardoning mercy, through the Great Mediator and Redeemer, for our past transgressions.

Did you know? ... President John Adams wrote to Judge F.A. Vander Kemp Feb 16, 1809 "The Hebrews have done more to civilize men than any other nation... [God] ordered the Jews to preserve and propagate to all mankind the doctrine of a Supreme, Intelligent, Wise, Almighty Sovereign of the Universe... [which is] to be the great essential principle of morality, and consequently all civilization."

America does not know who she is!

"The ox knows its master, the donkey its owner's manger, but Israel does not know, my people do not understand." (NIV - Isa 1:3)

It is inspiring and humbling that it is possible that with such a small family of believers of those who are called out of this world who are dedicated to the great commission given to us by our Lord and Savior, that we will be blessed to produce another television special.

It will be titled: **"The Constitutional Christian."** We believe that this will be the most important, critical, and timely special to date.

This knowledge is critical to understanding our divine heritage. Understanding who we are reveals God's purpose for America. It also links us to our biblical blessings promised to Abraham, Isaac, and Jacob.

In this special we will bring in the insight of the Founding Fathers of this nation whom God inspired with special insight, to build on the biblical principles given to ancient Israel. At the core is the Declaration of Independence and the U.S. Constitution. Please remember to keep this in your prayers.

Special Thanks !

Thanks to all of you and your support for the Gideon Project. It appears that we will be in a position to run another television special again this fall following God's Fall Holy Days.

The first two specials; *"Out of the Mouth of Two Witnesses"* and *"The Handwriting on the Wall,"* were tremendous successes. Through those outreaches, we were able to reach thousands of new people with God's Holy Word. Through those specials, people have been added to the mailing list, and others have begun attending services every Sabbath.

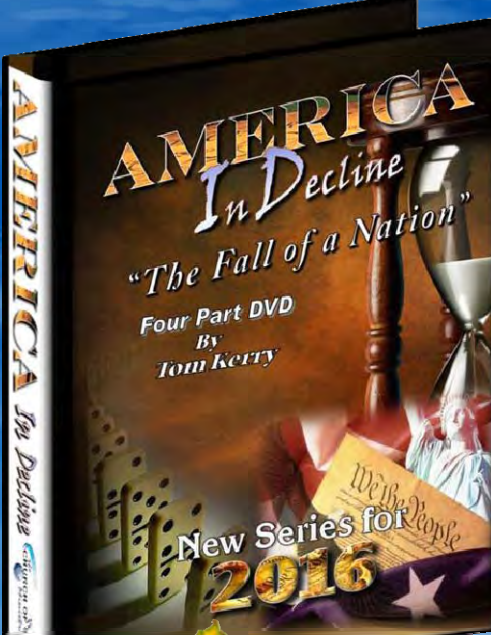

At present, we have crossed the \$6,500.00 threshold needed to be able to begin looking into air time and availability. **Hopefully you too will want to be a part of this new effort of warning. Mark your special donation for the Gideon Project.**
